HAVE  REST

WILL YOU TRAVEL ME?

Hello!

For some, the journey begins with buying a ticket to their dream city. for others, it starts the moment the plane takes off from the runway, carrying them to new countries, friends, and adventures.

For us, the journey begins with the suitcase.

We've done our best to make sure that, right from the planning stage, you're filled with that special travel vibe.

A man and a woman are walking along a pebble beach. The woman, on the left, has dark curly hair and is wearing a light-colored, sleeveless dress. She is smiling and looking towards the man. The man, on the right, has short blonde hair and is wearing a light blue button-down shirt. He is looking off to the side. They are holding hands. The woman is pulling a green and yellow patterned suitcase, and the man is pulling a purple suitcase. In the background, there is a body of water, a rocky coastline, and a cloudy sky.

CHARITY INITIATIVES

HAVE A REST X TVOYA OPORA FOUNDATION

Have A Rest teamed up with the “Tvoya Opora” foundation to create a unique suitcase in Ultra Violet. Fifty percent of the proceeds go to support children with serious developmental disorders receiving treatment at the Institute of Pediatrics, Obstetrics, and Gynecology. **Thanks to this initiative, we raised 1 250 000 UAH, helping to treat 21 children.**

HAVE A REST X LELEKA X SAYYA

For World Cancer Day, Have A Rest, in collaboration with the Leleka Maternity Hospital and SAYYA brand, launched the project “I Am My Own Guardian.” **This initiative encourages women to have annual comprehensive gynecological check-ups** and serves as a reminder that when it comes to health, you can only rely on yourself.

HAVE A REST X HAPPY PAW FOUNDATION

Have A Rest partnered with the Happy Paw Charity Fund to create a collection of accessories in two designs: "Cats" for feline enthusiasts and "Dogs" for those who cherish the loyalty of man's best friend. **Fifty percent of the sales from these accessories go directly to the fund.**

CHARITY INITIATIVES

HAVE A REST X OLENA PINCHUK FOUNDATION

In collaboration with the Olena Pinchuk Foundation, Have A Rest developed a collection of backpacks to support female defenders. For every backpack you buy for yourself, another is filled with essential items and **sent to women in the military on the front lines.**

HAVE A REST X GEN.UKRAINIAN

Exclusively for Gen.Ukrainian, Have A Rest created “Bravery is in our DNA” backpacks for children who have spent long periods in conflict zones in Ukraine. Each backpack comes with a special touch — a superhero mask, allowing **kids to briefly reconnect with the simple joys of childhood that war has taken away from them.**
